

**Fix it.
Build it.
Roof it.
Improve it.**

Facility Services Group LLC

Building Improvements & Maintenance

Facility Services Group was formed to provide expert contracting and consulting services for virtually all your building needs with a single point of contact.

Led by founder Dean Puccetti, Facility Services Group brings decades of professional contracting experience to your projects. Whether you need a roof, coating, a complete build-out, paving, painting or masonry restoration – we are ready to tackle your job.

Simply call us for recommendations, a detailed scope of work and budget for your projects. We take pride in providing individualized attention, customized solutions, excellent communication throughout every phase of your project, quality workmanship and follow-up service.

Contact us today for ALL your facility needs – from the parking lot up to the roof, and everything in between.

One call. Hundreds of building improvement services. Zero headaches.
